

Blues Scale for Guitar, In Relative Position

Blues (same starting pitch as the minor)

E		1			4
B		1			4
G		1		3	blues
D		1	blues	3	
A		1			4
E		1			4

The Blues scale starts on the same note as the Minor scale

The Blues scale is a minor scale with a few notes left out and a blues note added (the minor 5th)

It is typically played in rock music and blues music

You can bend strings up to blues notes, and bend other notes to get the rock/blues sound
